

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**HB 1747**

January 18, 2022

**SUMMARY OF BILL:** Adds quadriplegia to the list of medical conditions for which the lawful possession of cannabis oil is authorized given the person in possession of the oil meets other statutory requirements.

**FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Tennessee Code Annotated § 39-17-402(16)(F)(ii)(b)(2) details the diseases or conditions in which a diagnosed person is authorized to lawfully possess cannabis oil.
- The new exemption to offense proposed by this legislation will not affect a large enough cohort of the criminal population to result in a significant reduction in prosecutions, incarcerations, or fees; therefore, any fiscal impact to state or local government is estimated to be not significant.
